

Concessions Instructions

Thank you for spending your time working concessions. There are several moving parts in opening, closing and working the concession stand. Please read below for the details. If you have any questions, please call/text Noelle Paramoure, 770-401-7803.

Opening:

The lock box code to obtain the key for concessions door is 2157.

Turn on the warmer as you arrive. The food warmer is located on the left as you enter. The switch is on the bottom. This will be used for holding hot dogs, pizza, pretzels, hamburgers etc.

Start boiling water for the hot dogs. Begin with no less than 10-15 hotdogs per game. Hot dogs are located in the back room, upright freezer. They are labeled **soccer**. Once heated, wrap in foil and place in warmer. Buns are located on the shelves. Condiments are in the fridge, also labeled soccer.

Turn on the oven to 350 for pretzels. Pretzels are in the freezer. Make no less than 10 pretzels, ½ salt, ½ cinnamon topping. Be sure to melt butter and brush pretzels before adding toppings. Cook approx. 10 minutes, put in brown bags and place in warmer. Brown bags are located on the shelf.

Pop Popcorn. Start with 3-4 bags.

Set out candy/chips. The cabinet with all the candy and chips is located in the back room, behind the door. The combination lock is right 33, left twice 19, right 29. Place all these items on the wire shelf.

Set out price board. This is located in the cabinet.

Drinks are located in the cooler on the sink side of the concessions stand.

For cold nights, warm a pot of water for hot chocolate. Make coffee.

During:

1st Shift: Please replenish as needed. It is important that when your shift is over, you have left the 2nd shift enough food ready to sell. There should be a smooth transition between games.

2nd Shift: Please replenish as needed. There should always be hot dogs, pretzels and popcorn available for purchase.
