StatusMe

Our Coaches and our Team Managers use Statusme.com to communicate with players quickly and to notify players and parents of important information, reminders and any changes in schedules. For example, practice time changes; weather delays or cancellations; bus information for away games, etc. StatusMe notifications will come as short text messages and subject-only emails from "group-email-noreply@statusme.com". There is a parent group for each team which is used to help keep the parents informed of last minute and team information.

How to Register

Players

EACH PLAYER **MUST** register on StatusMe.com with the team they are currently assigned to. Swing players should join both JV and Varsity Player groups. Parents may choose to register as well to stay informed on last minute changes. There are both Players groups and Parent groups. **PARENTS, PLEASE ONLY JOIN A PARENT GROUP AND NOT A PLAYER GROUP.**

Parents

Parents may choose to register as well to stay informed on last minute changes. There are both Players groups and Parent groups. **PARENTS, PLEASE ONLY JOIN A PARENT GROUP AND NOT A PLAYER GROUP.**

If you were registered last year…

You will need to log in and join again as the account has been cleaned and ready for all new entries for the new season.

We will test on the morning of the first game so please register your StatusMe team by the night before. If you do not get a status me the morning of the first game you are NOT registered.
