*Raider Nation - Tradition of Excellence*

**Dear Walton Soccer Family,**

**It is with great pleasure that I welcome you to another exciting season of Walton Soccer. As we begin the start of a successful season, I want to take a moment to recognize the hard work and dedication of our student-athletes, coaches, and support staff. The Class of 2023 has shown great leadership teaching our younger students what it means to be a Raider both on the field and in the classroom.**

**Soccer requires teamwork, discipline, and perseverance, and our student-athletes demonstrate the qualities repeatedly. They have spent countless hours practicing, conditioning, and studying the game, and I have no doubt that they will continue to impress us with their skills and sportsmanship.**

**I would also like to acknowledge our coaching staff, who have been instrumental in preparing our student-athletes for the season ahead. They have worked tirelessly to develop training programs and strategies that will help our teams achieve success both on and off the field.**

**Of course, none of this would be possible without the support of our school community. It takes the dedication and support from the Walton soccer families and the community at large to sustain our exceptional soccer program. The soccer booster club and the parents of our athletes work hard to make this possible. Additionally, the trainers are essential to our success. I cannot thank them enough for keeping our students safe and healthy!**

**As we embark on another high school soccer season, I encourage all student-athletes to give their best effort and represent our school with pride and dignity. Let us continue to build upon the successes of past seasons and work together to achieve our goals.**

**Go Raiders!**

# A MESSAGE FROM YOUR Club President

Dear Raider Nation,

What an exciting season of soccer this has been so far! All 4 teams have started the season with highly competitive games with some exciting finishes. We are excited about our Varsity squads making a playoff run. Our first year in the new region has created new rivalries and allowed old ones to flourish in our non-region schedule. Our coaches were all back for another shot at doing something special and we were able to celebrate a huge milestone. Coach Wade has been patrolling the Walton Pitch for 20 years. He's now coaching the children of his former players and loving every minute of it. We're glad to have you Coach Wade! You have made a tremendous difference to those in your charge both on and off the field.

On behalf of the Walton Soccer Booster Club, we would like to congratulate our seniors. We hope that the work ethic and purpose driven actions you've learned playing will carry you to great heights in the future. Good luck in all that awaits you and we look forward to seeing you at an Alumni night in the future!

Our Walton Raider 'team' extends well beyond the field. We sincerely thank our parent volunteers and our 2023 Walton Soccer Board members for their tireless effort and personal contributions that help make this program truly exceptional. The overall parent volunteer involvement this year has been tremendous. Thank you!

The Walton Soccer Booster Club works behind the scenes every day to make sure this program continues to be one of the finest in Georgia. With successful fundraising, we can help provide uniforms, team meals, and most importantly, excellent coaches. In addition to our fundraising through our sponsors, we appreciate the generous contributions from families donating at the Premier and Championship levels. We thank you for the additional financial support.

The booster club wants to thank all our corporate sponsors during 2023. You make so much possible through your financial support and sense of community that exists in Raider Valley on soccer nights. The Walton Raiders appreciate you being a critical part of enhancing our collective future through your contributions. You are always welcome to join us in the Valley!

Success on and off the field does not happen by accident. The endless support of Principal Mr. Richard Tischler, Athletic Director Dr. Chris Williams, make the jobs of our coaches, players and booster club a labor of love. Success is far easier to attain when you know support surrounds you in Raider Valley and in the classroom. Thank you to all of our teachers and administration for their on-going, selfless support.

Finally, thank you for allowing me to serve as your 2023 WSBC President. The relationships forged getting to know the players, coaches, and parents over the years are cherished. There is no better way to spend a spring evening than watching the Walton Soccer teams play at Raider Valley. We look forward to seeing you all again next season. **GO RAIDERS!**

Sincerely,

**Jake Jenkins**

Walton Soccer Booster Club President

# THANK YOU!!

**We cannot do this without our amazing volunteers. Thank you to each of you who provided your time and expertise to make our program exceptional!**

Kaito is one of our most technical players. He can run with speed and cut the ball to beat defenders. A quiet player who leads by example and his desire to win. Kaito can score goals or get assists as he gets into the attacking third of the field. watching him dribble into the box at defenders is exciting. He will be expected to perform this year for us to make a good playoff run. Kaito is a game changer.

### COACH'S COMMENTS

- I've had the privilege of coaching Taylor at both the club and High School level.
- Although she has a quiet demeanor, she plays the game with grit and passion.
- She is up for a challenge and is willing to play any position. Taylor, a scholar athlete, is in her second season as a varsity player at Walton and gives everything in training and matches.
- Outside of soccer Taylor participates in chorus where she has lettered.
- Taylor plans on attending Auburn University. While we will miss Taylor, her friendly smile, her positive attitude, and commitment to the program, we are excited to see big things from her wherever she continues her education.
- Best of luck Taylor!

### COACH'S COMMENTS

- Noah is one of the top players that we have had here at Walton. He has started on varsity since his freshman year. He
- has played a limited number of minutes due to his commitment to Atlanta United. He is a great midfielder who
- loves to hit bangers with his left foot. As a junior he had some great goals. He
- covers so much ground that he makes playing in the midfield look easy. He has
- signed to go to Davidson College and he will do really well at the next level.

- player and a great young man. He is
- academically top of the class and a top
- state player. Every coach that we play
- against comments on how well he plays

His passing and dribbling have really improved over the years, and he is a crucial part of our midfield. He leads by example and just comes to play hard every day. He will be needed for us to make a playoff run.
